

Admissions

Children are welcome to join the school at any stage from Year 3. There is no entrance examination, but applicants are required to attend at least one "taster day" as well as an interview. Taster days provide an opportunity for children to get a flavour of school life at Bredon, either as a day or boarding pupil. Visiting children will spend time in the classroom, take part in sports and activities and get to know the children who will be their classmates. In the case of potential boarders, they also have the opportunity to "sleep over".

Following the successful completion of taster days, an interview and satisfactory reports from the child's current or most recent school, we will then offer a place.

We welcome visitors to the school, either to our Open Days or for an individual visit. Please contact the school for further information.
