Remote Education Programme

Think Differently • Learn Differently

Teach Differently

Thank you

The entire team at Bredon School would like to thank all parents and carers who have come together to support the Remote Learning programme that Bredon has developed in order to continue to provide high quality teaching, learning and pastoral input, including safeguarding and wellbeing support to vulnerable learners and families.

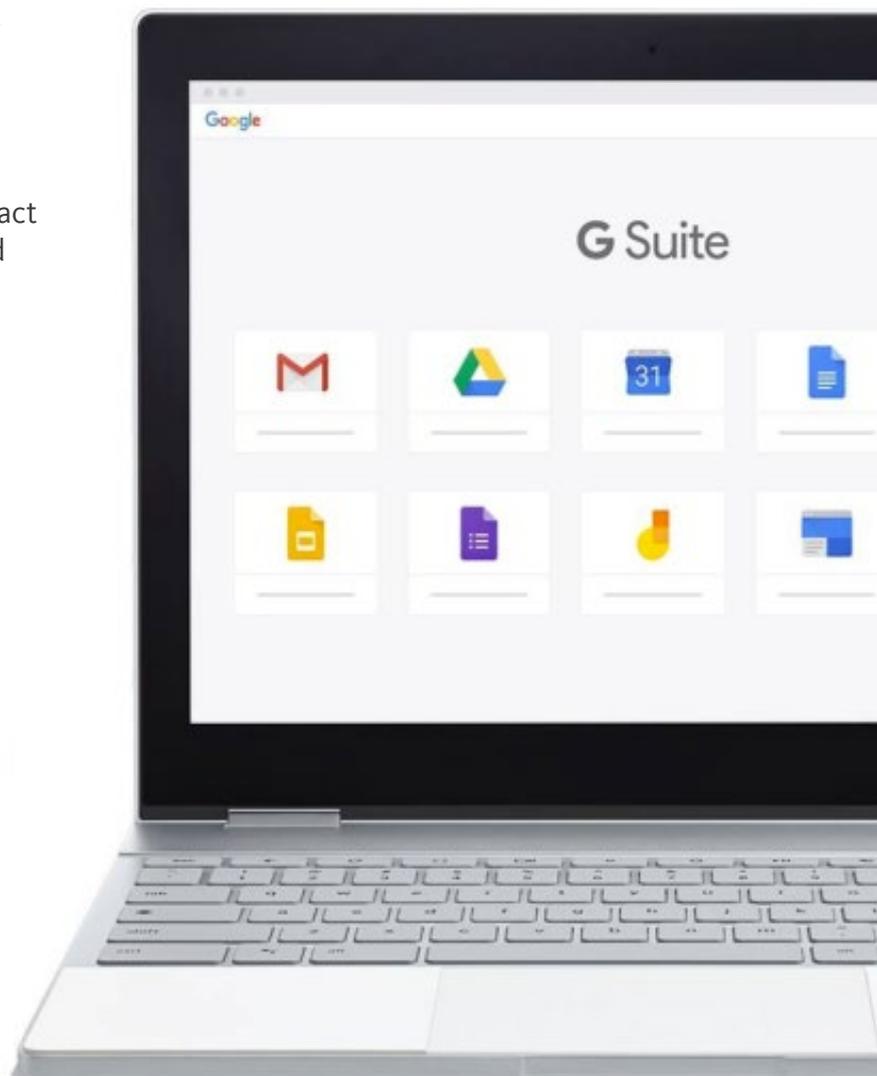

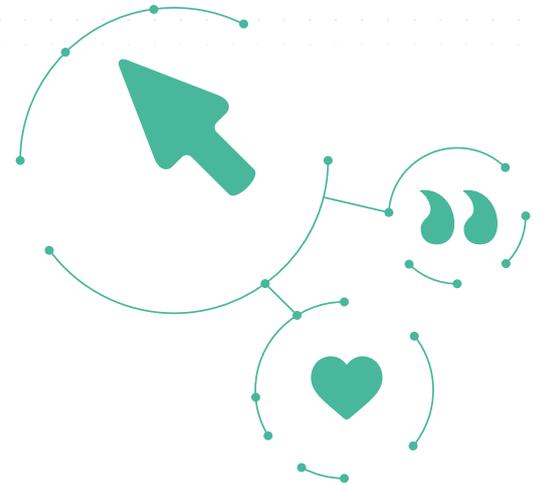

Parental support and feedback has been instrumental in this process and we continue to evolve and develop our offer in order to best meet the unique needs of all of our learners.

Headmaster

Online learning programmes

- Bredon School predominantly uses Google Classroom for its online learning programme. The school uses Google Classroom within the normal school day and is a programme that our students are used to already. Daily work scheduled for each lesson is uploaded to the Google classroom, so students can access set work on a lesson by lesson basis.
- Following the Easter holidays this will also be fully supported by Google Meet allowing all students to fully engage with their lessons and receive the additional support from their teachers. Google Meet is a face to face application, allowing students to sign in with their teachers on a lesson by lesson basis.
- Google Meet also allows students to interact with their fellow classmates as they would do in a normal classroom environment.

Timetable of daily lessons Senior School Years 7 to 13

We are continuing to schedule in line with each student's normal timetable

8.45am	Morning registration for all
9.00am	Lesson 1
10.00am	Lesson 2
11.00am	Lesson 3
12 noon	Lesson 4
	Lunch
1.30pm	Lesson 5
2.30pm	Lesson 6
3.30pm	Lesson 7

All lessons will be for 45 minutes, allowing suitable time for rest breaks etc.

If students are unable to attend school due to ill health, please email their tutor directly.

For our International students experiencing time differences from the UK, individual support will be allocated.

Marking & feedback

Daily verbal feedback will be given by each teacher during and at the end of the lesson. Our marking policy continues as it would be in school, with written feedback every two weeks, giving clear feedback on work produced and guidance on what has been done well and how work can be improved.

Indicators/grades on Achievement, Behaviour and Effort will also be provided.

Exams 2020

All Summer 2020 exams have been cancelled by the UK Government. Teachers are now collating all student information for their courses to enable a grade to be submitted to the relevant exam board. Teachers will use a wide variety of information including classwork, coursework, homework, mock exams and predicted grades. This will result in a confidential grade being sent to exam boards and result days will still proceed as scheduled:

**A level results day:
13th August 2020**

**GCSE results day:
20th August 2020**

Annual Reviews, SLS and SALT provision

Mrs Weston leads our SEN team. She will coordinate all SLS lessons and support our SALT team.

Annual reviews will continue to take place, but will be held remotely, usually through telephone facility.

The Golden Rules of Remote Teaching

1 –

Where am I setting up my classroom?

Make sure you are in a reasonable quiet common space like the lounge or kitchen, definitely **not** your bedroom.

Try to be in an area with a plain background, if possible. If not, please ensure there isn't any offensive or personal information behind you. Try to have your back to a wall.

2 –

What am I wearing?

You will need to be clothed and not in your PJ's. Make sure your family members or guardians are aware that a class is taking place (so they don't get caught out being half dressed or saying something they wouldn't want broadcast!)

3 –

How should I behave?

Treat it like you are at school and be kind and respectful towards each other - negative behaviour cannot be tolerated and teachers can delete you from a lesson. Parents/guardians would be contacted, although we do not expect negative behaviour to happen.

4 –

Who can be in the lesson?

This is your lesson so there should only be one person who joins the meeting.

We expect that there will be an adult in the house nearby.

5 –

When should I get prepared?

You should be ready five minutes before the agreed time starting with the 8.45am tutor meeting.

6 –

Is there anything else I need to know?

Remember that you must never record or take screenshots/photos/film of the class, teacher or classmates. This is important to remember as it can be illegal and is against school policy.

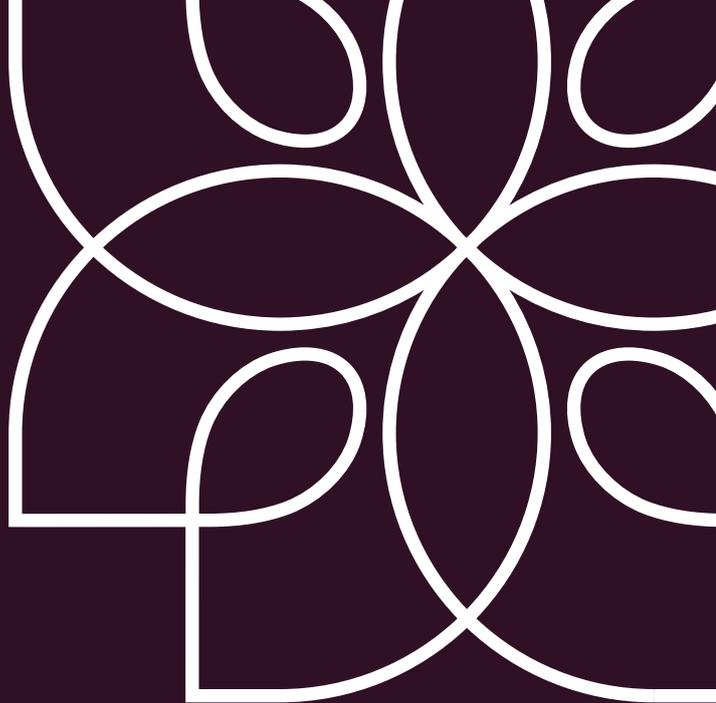

Listen to the teachers instructions. For example when the teacher is talking mute your microphone, give a thumbs up for 'I understand' or put your palm up to show you want to ask a question.

Lastly, enjoy the lessons, be positive and do the best you can, give your teachers feedback and ask for support when you need to.

Stay safe

We look forward to seeing you soon
