Bredon School is owned and operated by Cavendish Education; the Proprietary Body also known as the Governing Body. Any reference to Governor's means any Director of Cavendish Education.

This Policy document is one of a series of Bredon Policies that, taken together, are designed to form a comprehensive, formal Statement of Bredon's aspiration to provide an outstanding education for each and every one of its students and of the mechanisms and procedures in place to achieve this. Accordingly, this Policy needs to be read alongside all of these Policies in order to get the full picture; in particular, it should be read in conjunction with the ***Equality Policy, The Health and Safety Policy and the Safeguarding Children and Child Protection Policy.***

All of these Policies have been written, not simply to meet statutory and other requirements, but to evidence the work that the whole School is undertaking to ensure the implementation of its core values:

'To be a small, family school that genuinely focuses on the individual; ensuring each pupil reaches his or her personal potential and destination by way of a rich and diverse journey based on breadth of opportunity, support and continuously striving towards excellence.'

In all Bredon Policies, unless the specific context requires otherwise, the word "parent" imports the meaning parent, guardian, carer or any person in whom is vested the legal duties and responsibilities of a child's primary caregiver.

Bredon employs the services of the following consulting companies to ensure compliance is met and the best practice is implemented:

STATEMENT OF POLICY

1) We recognise that discrimination is unacceptable and although equality of opportunity has been a long standing feature of our employment practices and procedure, we have made the decision to adopt a formal equal opportunities for pupils policy. Promoting equal opportunities is fundamental to the aims of Bredon School and the school is committed to equal treatment for all pupils, regardless of race, sex, disability, religion or belief, sexual orientation, gender reassignment, pregnancy or maternity.

A) THE AIM OF THE POLICY

The aims of the policy are to:

- 1) ensure eliminate unlawful discrimination on grounds of the protected characteristics;
- 2) promote equality of opportunity for all members of the School community; and
- 3) and Comply with the School's equality duties contained in the Equality Act 2010.

B) ADMISSIONS PROCESS

The School treats every application for admission in a fair and equal way in accordance with this policy and the School's Admissions Policy. Whilst striving to be as inclusive as possible, we remain an academically selective school. We believe that a pupil must be able fully to access our curriculum in order to be happy and thrive at Bredon School. We also welcome applications from pupils with special needs and disabilities, and refer parents to our Learning Support policy covering Special Education Needs (SEN), learning difficulties, and disability. The School accepts applications from, and admits, all prospective pupils irrespective of their gender, disability, gender reassignment, pregnancy and maternity, race, religion or belief (or no religion or belief).

Parents must inform the School when submitting the Registration Form of any special circumstances relating to their child which may affect their child's performance in the admissions process and/or ability to fully participate in the education provided by the School. The School will not offer a place to a child with disabilities if, after reasonable adjustments have been considered, the School cannot adequately cater for or meet their needs.

Bursaries are offered, within the limitations of our finances, in order to make it possible for as many as possible who meet the School's admission criteria to attend the School. We are striving to increase our bursary fund through the School Foundation. Details of our provision for bursaries can be found on our website or obtained from the Bursar's office.
