Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments.

This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ *General Regulations for Approved Centres* booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4.

In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. (GR, section 2)

If overnight supervision is the only route, then parents will be asked to come into school to meet with Exams Officer and sign the relevant paperwork. The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content.
