Our Ethos

As a Dyslexia specialist Bredon treats all of its learners as individuals, empowering them to achieve to the very best of their ability.

Bredon School ensures that the individual flourishes and reaches their full academic potential by instilling a passion for learning through our broad and innovative curriculum, developing skills pupils will carry with them for life beyond the school gates.

We aim to:

- 1. Provide a nurturing pastoral environment** enabling the individual to develop self-confidence and self-esteem in a safe, happy and supportive environment.
- 2. Promote a school-wide family ethos** instilling values of empathy, acceptance and mutual respect so that each pupil feels valued and supported.
- 3. Inspire pupils** to participate in numerous outdoor educational opportunities, to make the most of the unique and inspirational learning environment on offer throughout the rural setting.
- 4. Challenge and support pupils** to give them the confidence to be themselves, the competence to achieve, the creativity to shine and the character to succeed.

Governance

Bredon School is part of the Cavendish Education Group.

Cavendish Education is a family of day and boarding schools focused exclusively on enabling children and young people with unique learning profiles (including dyslexia, dyspraxia, autism and social communication needs) to be the very best they can be.

The schools in the Cavendish Group focus on an individual's strengths, talents and interests. Each school has its own distinctive character, atmosphere and facilities, and they all provide a well-rounded, differentiated and skilfully-supported academic curriculum. Sport, the arts, outdoor education and life skills feature highly in enrichment activities.

Cavendish schools inspire children and young people to have:

the confidence to be themselves,
the competence to achieve,
the creativity to shine, and
the character to succeed.

Sports Fixtures

All information on fixtures, including team sheets, results, locations and staff contact details for all sports can be found on bredonsport.org.uk and we recommend parents add this to their favourites. If accessed from a mobile device, this webpage loads as a mobile app.

We strive to publish team sheets on Friday morning ahead of weekly fixtures and these will be available on the website with a link distributed to parents via email. In addition to this, selection will be published on the noticeboard for pupils within the department and wherever possible teachers will share details with pupils verbally.

Please note that on occasions, we will be dealing with late changes to games and selection and this may only be finalised the day beforehand, so please bear with us. It is the responsibility of parents and students to check the team sheets for details and we recommend this is done the day before a fixture.

Games

Sports Kit

Bredon sports kit can be purchased through our uniform supplier, Stevensons. In order to best support pupils in accessing their sports, ordering of kit will need to be done in good time for the following term so that pupils can access their activities from the first week of lessons.

Pupils are expected to wear the correct kit for all lessons, training and fixtures. Kit for games, physical education, outdoor education and sporting extra-curricular clubs is compulsory and is listed below. Additional kit from the 'optional list' may be needed but will be dependent on the sports selections your child makes during the course of the academic year. With the range of our sports offered, some pupils will be active in lessons every day. For these pupils additional school kit items will support in managing the challenges of getting kit washed each day.

It is our expectation that all pupils change into their correct kit for all lessons and training even if pupils are experiencing any illness or injury that may impede their full participation in that session. This will allow their teachers to best adapt planning and include them within aspects of the lessons that they can access. If pupils are in school but unable to participate fully in lessons, this will need to be communicated from home or boarding to Mr Hughes and the health centre. Should we identify challenges with a lack of kit for games, parents will be contacted to keep them informed. If this becomes persistent, pupils will be sanctioned in line with the school and departments behavioural policy.

Bredon School Policies & Rules

Copies of all school policies may be downloaded from the school's website and can also be obtained on request: **www.bredonschool.org/policies**

The School Rules and sanctions are drawn up to assist in making the School an orderly and safe environment; to give a sense of security; to everyone in the school; to ensure respect for others and the property of others and to make clear the distinction between acceptable and unacceptable behaviour.

Unacceptable behaviour disrupts the learning of others and infringes on the rights, safety or learning from any member of the school community. The school asks all parents to ensure that they have read through the School Rules with their children and expects them to work with the school in the interests of all pupils to encourage strict adherence to these rules. The School Rules apply on school trips, including educational visits and sporting events. They also apply outside school premises, for example when pupils are on the way to and from school and when they are wearing school uniform.

The School Rules are as follows:

- Pupils should always treat all members of the School community, visitors and members of the public with courtesy and respect.
- Contact with the media in the name of Bredon School is forbidden without the approval of the School.
- Any action which might bring the School's name into disrepute, verbally, in print or online is not acceptable.
- All pupils must attend School and all timetabled activities punctually and regularly. Except in the event of sudden illness, no pupil may be absent from School without permission previously obtained directly from the Headmaster.
- Pupils are expected to be committed both to their academic work and to the extracurricular activities of the School.
- All pupils should wear their school uniform according to the uniform dress code.
- Pupils in the Sixth Form may bring cars to the School only with the written permission of the Headmaster and Head of Sixth Form and with the correct paperwork completed.
- All pupils should take pride in the appearance of the school. Litter should be put into the waste bins provided.
- Pupils are forbidden to order items for delivery unless permission is given by a member of staff.
- Chewing gum or spitting is not permitted anywhere on the School site.

-
- Any damage to property whether belonging to the School, another pupil or staff members must be paid for by the pupil concerned and should be reported to a member of staff immediately.
 - All pupils must adhere to the School ICT Acceptable Use Policy which is widely available.
 - Gambling, buying and selling on site is not allowed.
 - Pupils are forbidden to possess or use tobacco, illegal drugs, legal highs, e cigarettes/vapes or alcohol. (Alcohol may be consumed in moderation by pupils who are over the age of 18, at appropriate occasions, under the supervision of staff.) In any case of infringement of this rule, parents/guardians will be informed and pupils must expect to be temporarily excluded from School. If this occurs on a school trip, parents will be contacted and asked to collect their son/daughter at their own expense.
 - Stealing is forbidden.
 - Bullying in any form, including cyber bullying, is forbidden (see Anti-bullying Policy) and all pupils must adhere to the IT Acceptable Use Policy.

More details can be found online in our Behaviour Management Policy:

www.bredonschool.org/policies

Personal Property

All garments and articles of personal property including clothing must be clearly labelled with the owner's name. Pupils should use the lockers and systems supplied by the school to ensure that personal property is kept safe. The school can only accept liability when it can be shown that the school behaved in a negligent manner.

Rules which refer to the School Bounds

Bredon School pupils are expected to know and adhere to winter and summer bounds as briefed to the pupils. The site is bounded by a river and there is a motorway nearby. These hazards are clearly out of bounds as are the farm and other designated areas on site unless accompanied by school staff. No pupil is allowed to leave the school site without seeking the appropriate permission.

Other out of bounds areas include the roof of any building, the woods and formal gardens around Pull Court.

Boarding accommodation is single gender and boarders are not allowed in the opposite sex's accommodation unless formally invited by boarding staff for an activity or event.
