# Ethos

---

As a Dyslexia specialist, Bredon treats all students as individuals, empowering them to achieve to the very best of their ability. We ensure that the individual flourishes and reaches their full academic potential by instilling a passion for learning through our broad and innovative curriculum, developing skills students will carry with them for life beyond the school gates.

**We aim to:**

**Provide a nurturing pastoral environment** enabling the individual to develop self-confidence and self-esteem in a safe, happy and supportive environment.

**Promote a school-wide family ethos** instilling values of empathy, acceptance and mutual respect so that each student feels valued and supported.

**Inspire students to participate** in numerous outdoor educational opportunities, to make the most of the unique and inspirational learning environment on offer throughout the rural setting.

**Challenge and support students** to give them the confidence to be themselves, the competence to achieve, the creativity to shine and the character to succeed.

# Governance

---

**Bredon School is part of the Cavendish Education Group.**

Cavendish Education is a family of day and boarding schools focused exclusively on enabling children and young people with unique learning profiles (including dyslexia, dyspraxia, autism and social communication needs) to be the very best they can be. The schools in the Cavendish Group focus on an individual's strengths, talents and interests. Each school has its own distinctive character, atmosphere and facilities, and they all provide a wellrounded, differentiated and skilfully-supported academic curriculum. Sport, the arts, outdoor education and life skills feature highly in enrichment activities.

Cavendish schools inspire children and young people to have:

**The confidence to be themselves**

**The competence to achieve**

**The creativity to shine**

**The character to succeed**

# Executive Leadership Team

# Sport/Outdoor Education

---

## Fixtures & Team Sheets

All details about fixtures – including team sheets, results, locations and staff contacts – are available at [bredonsport.org.uk](http://bredonsport.org.uk). We recommend adding this site to your favourites; on a mobile device it will load like an app.

Team sheets are usually published on **Friday mornings** for the following week's fixtures. Parents receive a link by email, while students can also check the department noticeboard or hear details from their teachers. Please be aware that last-minute changes do happen and final selections may not be confirmed until the day before. For this reason, we encourage parents and students to check the website the day prior to each fixture.

## Sports Kit

All Bredon sports kit is supplied by Stevensons and should be ordered in good time so that students are fully equipped from the start of term. The correct kit must be worn for all lessons, training and fixtures.

- Core kit is compulsory for games, PE, outdoor education and clubs.
- Optional items may be needed depending on sports chosen.
- Students who take part in daily activities may find extra kit useful to keep on top of washing.

Students are expected to change into kit for every lesson or training session, even if they are unwell or injured, so that staff can adapt activities accordingly. If a student cannot participate fully, parents or boarding staff should notify David Hughes and the Health Centre.

If a student repeatedly arrives without the correct kit, parents will be contacted, and persistent issues will be managed in line with the school's behaviour policy.

# Term Dates (for students)

---

<b>Autumn Term 2025</b>	Thursday 4 September - Thursday 11 December
-------------------------	---

---

<b>Spring Term 2026</b>	Tuesday 6 January - Friday 27 March
-------------------------	-------------------------------------

---

<b>Summer Term 2026</b>	Tuesday 21 April - Friday 3 July
-------------------------	----------------------------------

---

# Parent/Teacher Meetings

---

Thursday 30 April	Years 7 & 8 (online)

# School Policies

---

Our school policies are available online at [bredonschool.org/policies](https://bredonschool.org/policies) and printed copies can be provided on request.

# School Rules

---

Our rules are in place to make Bredon a safe, respectful and supportive community where everyone can learn and thrive. They help create a sense of security, protect people and property, and make clear what behaviour is acceptable.

We ask parents to read the School Rules with their children and to support us in ensuring they are followed. This partnership helps maintain the positive environment that benefits all students.

## **The rules apply:**

- In school and on school trips (including educational visits and sporting fixtures)
- When travelling to and from school
- Whenever students are wearing the Bredon uniform

Unacceptable behaviour disrupts learning, affects the safety and wellbeing of others and will be addressed in line with school sanctions.

## **The rules are as follows:**

### **Respect & Conduct**

- Treat all members of the School community, visitors and the public with courtesy and respect.

# School Rules

---

- Bullying in any form, including cyberbullying, is forbidden (see Anti-Bullying Policy).
- Any action that could bring the School's name into disrepute (verbally, in print or online) is not acceptable.
- Contact with the media on behalf of Bredon School is not permitted without approval from the School.

## School Life & Responsibilities

- Attend School and all timetabled activities punctually and regularly. Permission from the Headmaster is required for absence (except in the case of sudden illness).
- Be committed to both academic work and extracurricular activities.
- Wear the correct School uniform at all times, following the uniform dress code.
- Sixth Form students may bring cars only with written permission from the Headmaster and Head of Sixth Form and with all paperwork completed.
- Take pride in the School environment: use bins for litter, care for property and report any damage immediately. Students are responsible for paying for any damage caused.
- Students must not order deliveries to School without staff permission.
- Chewing gum and spitting are not permitted anywhere on site.

## Safety, Behaviour & Integrity

- Adhere to the School ICT Acceptable Use Policy at all times.
- Gambling, buying or selling on site is not allowed.
- Possession or use of tobacco, illegal drugs, legal highs, e-cigarettes/vapes or alcohol is forbidden. Students aged 18+ may only consume alcohol in moderation on appropriate occasions under staff supervision. Breaches will lead to parents being informed and likely temporary exclusion.
- Stealing is strictly forbidden.

# School Rules

---

More details can be found in our Behaviour Management Policy:  
[bredonschool.org/policies](http://bredonschool.org/policies)

# House Competitions

---

House competitions will run throughout the term.  
For up-to-date information on Sports Fixtures, go to [bredonsport.co.uk](http://bredonsport.co.uk)
